## PRODUCTS

### A

Ampere meter  
Automatic circuit breakers  
AVO meters

### B

Batteries  
Bearing housings  
Bulbs / Lamps

### C

Cable connectors  
Cable strips  
Capacitive sensors  
Carbon brushes  
Cartridge fuse links  
CEE-sockets and plugs  
Circuit breakers  
Contactors

### D - E

Electrical equipment  
Electrical motors  
Emergency lights  
Emergency batteries  
Engineroom lights  
Engineroom lights  
Exhaust gas monitoring  
Exhaust gas sensors  
Exhaust gas sensors  
Explosion proof material

### F

Fans  
Filters  
Fire detections systems  
Flash lights  
Flow sensors  
Fluorescent lamps  
Frequency converter  
Fuseholder  
Fuses

### G

Gas detectors  
Generator protection device  
Generators

### H

Hand revolution indicator  
Heater (blower / fan)  
Heating elements  
HNA components

### I-K

Inductive sensors  
Industrial thermometers  
Insulation tapes  
Insulation tester

### L

Lamps / Bulbs  
Level measurement  
Level sensors

### M - O

Manometer  
Marine cables  
O-rings  
Offshore cables  
Oil in water alarm systems  
Oil-mist detectors  
Over current relays

### P-Q

Panelmeters for V/A/KW  
Potentiometers  
Pressure switches  
Pulse transmitter

### R

Reed relays  
Refrigerating compressors  
Relays  
Resistance thermometers  
Revolution indicators  
Revolution relays  
Rotary switches  
RPM equipment  
RPM sensors

### S

Set of contacts for contactors  
Shaft seals  
Socket-outlets + receptacles dial thermometer  
Solenoid valves  
Switch boards  
Switches

### T

Tachogenerators  
Temperature sensors  
Temperature switches  
Thermocouples  
Time relays  
Tools  
Transducer for pressure / temperature / current / volts  
Transformer  
Turbo charger speed monitoring systems

### U - Z

Undervoltage release  
Valves  
Voltmeter  
Watertight receptacles
